The year has proved quite fruitful for this hunky actor. He gave a ‘hit’ in ‘Housefull 2’ and his first maiden venture as a producer ‘Vicky Donor’ was a surprise success.

Our very own in-house expert and ace astro numerologist Bhavikk Sangghvipredicts what’s in store for John Abrahamon theeve of his 40th birthday:

“John was born on 17th December 1972 which makes him a Number 8 (Saturn) person in numerology.Beinga Sagittarian,he is ruled by Number 3 (Jupiter) and his ‘destiny’ number also adds up to the same number which means he is doubly ruled by Jupiter. Too good!” explains Bhavikk.

“Being a Number 8, John is a fighter for life and would never give up on anything so easily. He has been through some real ups and downs in his professional life but he is still around and here to stay. Luckily, he is ruled by the most powerful planet Jupiter twice, so his finances would only improve with each passing year given the fact that he takes the right decisions. Although he is very practical and calculative, he can also beof the generous kinds at times and can often get duped of his money. He should be careful that nobody is riding high on his money and taking him for granted,and that’s why, partnership business of any kind should also be avoided” enlightens Bhavikk.

“John will now be entering the 41st year of his life which means his streak of good luck is going to continue in the coming year as well – be it in his professional or personal life” predicts Bhavikk.

“Yes, 2013 is the year when John will finally get officially ‘hitched’ to his current girl-friend Priya Runchal breaking a million hearts” reveals Bhavikk.

“On the film front, his soon-to-be released‘Race 2’will prove to be a money spinner at the box office, while his performance in ‘Shootout At Wadala’ and ‘Madras Cafe’will be highly appreciated”.

“Wearing a Yellow Sapphire above 4 carats to be set in gold on his right hand index finger on a Thursday evening (one hour before sunset)will help him remain focused andtake the right decisions, whatsoever” advices Bhavikk before signing off.
