Box Office Collections Of "Special Chabbis" collected good 61 cr nett plus in 2 weeks and further added 5.50 cr nett in 3rd week taking film's total collections to 67 cr nett plus. This was a good total considering slow start of the film in opening week.

Film collected 2.35 cr nett over the 4th week and now film has total of 69 cr nett plus in 4 weeks. Film will finish with 70 cr nett lifetime total and that means film remained average considering film's huge budget of 35-40 cr. But makers will make profit through ancillary revenues.

Film was hit by ABCD wave otherwise it would had been crossed 80 cr nett and that was an ideal total.
