Doing lead role in continuous three remake films, the lead Diva of Bollywood Priyanka Chopra is now said to be typecast. She did 'Don' & 'Don 2' and then 'Agnepath', now she will be seen in one more remake i.e. 'Zanjeer'.

Well on Priyanka's decision of doing remakes one after one, made her actor-producer friend Farhan Akhtar to be worried about her. Yes, Farhan Akhtar is worried that Priyanka shouldn't get tag of being typecast. So he has warned Priyanka about getting typecast on social networking site Twitter.

Farhan Twitted, "Priyanka Chopra, do you realise that this is the third official remake of Amitabh Bachchan you are in? Be careful you don't get typecast."

Farhan has directed Priyanka in the remake of 1978 film 'Don' opposite Shah Rukh Khan and then she were part remake of 1990 film 'Agnepath' opposite Hrithik Roshan and now her third remake film will be 'Zanjeer.' It will also be her third remake film of Amitabh Bachchan as Amitabh was lead actor in all these three film.
