From documentaries to Bollywood film making, Kabir Khan shares his journey on Bollywood Storytellers , All it took was a call from Aditya Chopra to transform the career graph of this talented documentary filmmaker Kabir Khan. This week on Bollywood Storytellers, Kabir Khan takes us through his film making experiences and the beginning of his dynamic journey in Bollywood.

His first film Kabul Express still remains close to his heart. Taking cue from his own experiences, Kabir portrayed how borders and boundaries are actually in our minds. This auto-biographical movie chronicled his experiences in Afghanistan during the making of a documentary. With his inimitable storytelling skills, he changed the way we look at cinema and carved a niche in Bollywood for movies with untold stories. Since then, there has been no looking back for Kabir Khan.

Kabir truly regards his mainstream directorial successes to his experiences as a documentary filmmaker. His recent Box-office success, Ek Tha Tiger, gave Salman Khan his biggest hit till date. This romantic thriller woven around two secret agents is his most ambitious and successful project till date.
