The marriage has not made any difference in the style statement of newly married Bollywood's gorgeous Diva Kareena Kapoor Khan. Yes, Kareena still managed to look same hot and stylish. Many Bollywood actress seemed to be going little traditional but Bebo keeps herself unique from others.

According to source close to actress says, "Kareena will never change her style statement, as long as she finds comfortable wearing shorts and skin show wearing, she will continue wearing it. Even Saif never minds with Kareena's style of dressing, she has full freedom for her wardrobe.

Well, that we can easily make out with Kareena's first public appearance that she made in Director Friend Rohit Shetty's sister's wedding. She looked really hot and stylish in a red Saree with full back showing blouse
