Looking at superstar Rajinikanth's popularity and success in the Film industry, Now his life story has been included in a chapter for the students of Central Board of Secondary Education (CBSE) in the Learning to Communicate (Course Book 6). This lesson titled 'From Bus Conductor to Superstar' comes under the category Dignity of Work.

Yes, This is shocking but it's True. Rajinikanth's popularity is not only in India but his stardom also rules in countries such as China, France and USA. Rajinikanth's success story is a lesson for people, who wants to achieve something in life. Many in film industry too look at him for inspiration. Thanks to his Struggle-To-Success story that has set an example for hard work and dedication. Rajinikanth is also considered as 'Demi-God' down south, His films are treated as Diwali Festival. This is the only superstar in the world whose huge Cut-Out's are Milk Bathed during any release of his films.

The main objective of the lesson chapter is to motivate children on having goals and reaching with sustained efforts and hard work. The superstar's golden heart nature, simplicity and kindness will also be a lesson for the students.
