Emraan Hashmi has been known for his romantic songs in films. The actor has a fantastic track record for the best love songs ever in his career and keeping his image in mind filmmaker and composer Vishal Bhardwaj has agreed to make an exception and choreograph a song for Emraan in his forthcoming production Ek Thi Daayan. The film is being directed by debutant Kannan Iyer.

Vishal Bhardwaj is a kind of producer who never interferes with his directors however new they are. But in the case of Ek Thi Daayan which is a super-natural thriller, the filmmaker-composer is all set to debut as a choreographer for a sensuous song in the film with Emraan Hashmi and Huma Qureshi. The song composed by Bhardwaj himself has lyrics by Gulzar.

Debutant director Kannan Iyer seems only too happy to step aside for his producer-composer: "This is one of Vishal Bhardwaj's most sensuous compositions ever. And being as involved as he is with his music, he wanted to choreograph the song himself. After all, he understands the nuances of this song better than anyone else."

Vishal Bhardwaj is currently busy wrapping up his Matru Ki Bijlee Ka Mandola however he has promised to wield the mega phone for the song in Ek Thi Daayan for the next couple of days. As for Emraan, this would be next film after two back to back superhits Raaz 3 and Jannat 2. "Emraan is happy with the decision; he does not want to let go of the momentum," says a source close to the unit.

Ek Thi Daayan co-produced by Balaji and Vishal Bhardwaj Productions is slated for April 18 release.
