The gorgeous Bollywood Diva Priyanka Chopra is going upset, she is extremely sad these days. At the one side her father is not keeping well and on the other hand the exit of her much acclaimed film Barfi! From Oscar race.

Though Priyanka feels upset for Barfi!, but the actress also says that she is glad that the film was an official entry from India to Oscar.

Priyanka Chopra played an autistic girl in Barfi! along with Ranbir Kapoor & Ileana D’cruz. Initially the film was running to qualify in the best foreign language film category at the 85th Academy Awards but failed to make it to the shortlisted nine films.

"I am very sad about it. It was a very special film for me and for the team as well. We made the film from heart and I am really happy for the kind of response I have received so far, said Priyanka in an interview in Mumbai.
