The Superstar of Bollywood Shah Rukh Khan & the Ace Filmmaker Karan Johar's friendship has been an ideal example for strong bonding over the years. But the recent buzz indicates that all is not well between these two best buddies.

The two had mega New Year bash in Dubai, where the differences between the two were noticed clearly. Both didn't greet each other when the world welcomed the New Year 2013.

Shah Rukh & Karan were busy partying in their respective parties began. But Karan didn't party with his favorite buddy SRK. In a recent interview Karan said, "I haven't party with Shah Rukh & his family in last 3 years but no one has bothered to ask me till date".

The negative vibes have also sensed last year as SRK did no single movie together. From Agneepath, Ek Main Aur Ekk Tu to Student Of The Year, Shah Rukh didn't work with the filmmaker at all. It is may be because now SRK too has decided to work with new filmmakers like Rohit Shetty etc.
