After the much talked about affair and break-up with actor John Abraham, the hottest actress of Bollywood Bipasha Basu is said to be single for many years now. But the actress has never said that doors are closed for anyone now. Yes, and that's why the Raaj 3 actress seems to enjoy a new love relationship again.

The 34-year-old actress reportedly celebrated her birthday in Goa with her close friends and a very romantic friend Harman Baweja. We hope you still remember this once Bollywood actor who gave some extremely disastrous films like 'Love Story 2050' and 'What's Your Raashee?'. Later he was linked with co-actor Priyanka Chopra but their alleged affair was also dumb like his career in Bollywood.

Now the latest buzz is that the actor is in good books of Bipasha Basu. Bipasha and Harman have been bonding well nowadays. Recently they were spotted arriving in the same car at Jacky Bhagnani's Birthday party. They were also spotted on one of their outings. And now Harman's special presence in Bipasha Basu's birthday in Goa, makes us ask this question; Is he Bipasha's new boyfriend?
