Deepika Padukone gears up for the release of Race 2 which hits the cinemas this coming Friday. The actress sounded quite excited and charged up Race 2 as her Looks from the movie is turning into a Rage. Deepika dons the character of a seductress in the film for the first time in her Filmy Career "I play a character of a seductress called Aleena, Who uses her Looks to achieve whatever she wants. This is something very new to me. I have never played such a character in my career so far." said Deepika.

But not her part but rest of the actors too play the Negative shades "Every character in the film is full of Manipulations, They all have a 'Grey Shade' attach to them" informs the actress. Deepika is also looking forward to her next shooting schedule of Ayan Mukherjee's film and is excited that Yeh Jawaani Hai Deewani will be shot in Kashmir. Deepika says, "I have never shot in Kashmir before. I have heard so much about the place and seen its beauty only through Bollywood films. I am really looking forward to filming in the Valley. It is my first visit. It's great that our filmmakers are rediscovering Kashmir."

As far as being the star of the latest box-office created 100 Crore Club, The actress politely chirps "More than the box-office records or business figures of the film, it is the experience of shooting that I cherish."
