After giving Super Hits in a row such as Heyy Babyy, Housefull and Housefull 2, Film maker Sajid Khan is very confident about the success of his upcoming film Himmatwala (remake of the 1983 hit) which stars Ajay Devgn and southern actor Tamannah.

“I am super confident about the film’s success. Yeh hit hai boss! I believe I have done justice to the original. However, the remake is not the same, it is my take on the original Himmatwala,” said Sajid Khan who recently unveiled the official trailer of the film on the sets of dance reality show Nach Baliye 5 which he is co-judging with actor Shilpa Shetty and choreographer Terence Lewis. Moreover, The Film maker also said only actor Ajay Devgn could have done justice to the role “When I thought of the word ‘himmatwala’, I couldn’t think of anyone other than Ajay Devgn who could do justice to the role. He is a great actor and can portray emotions, anger and action effectively.” added the 40 year old Director.

After Himmatwala, Sajid Khan will be making another action thriller with Nawab Saif Ali Khan “I am yet to finish a portion of Himmatwala. My next project will be with Saif Ali Khan and will most likely go on the floors by June.” informed Sajid Khan.
