Aditi Rao Hydari's father Ehsaan Hydari who was in the news lately as he was suffering from lung cancer breathed his last yesterday at around 1.40 am today. Aditi was receiving lots of appreciations for her winning performance in her latest release Murder 3 recently.

The actress in one of her recent interview to a leading publication spoke about her relationship with her father. She said that even though she has been always attached to her father she found her relationship with him to be difficult. Ehsaan Hydari was cremated while his funeral was held at Shivaji Park Crematorium which was attended by the family and close friends.

May his soul rest in peace and the Actress get's a lot of Strength to be Brave.
