Iconic film maker Dharmesh Darshan who is also considered the 'Real' Raja Hindustani appeared in front of Press and Media after a certain gap at the music launch of his nephew Shiv Darshan's debut film Karle Pyaar Karle.

The launch was also graced by our own 'Rani Hindustani' Karisma Kapoor along with Mukesh Bhatt and Suneel Darshan who is also the producer of the film. Dharmesh Darshan wished his nephew Shiv Darshan lots of luck for his film. He also cleared few vibes where some Press and Media made wrong speculations about Karle Pyaar Karle being ghostly directed by the maverick film maker. "Karle Pyaar Karle is not my movie at all. But my elder brother Suneel Darshan's film which is being directed by his assistant. And i am no way connected with it. However Shiv Darshan is my much adored nephew and i wish him deeply." said Dharmesh Darshan.

Karle Pyaar Karle also stars Hasleen Kaur who is paired opposite Shiv Darshan. Insiders claimed Shiv to be another youth revolution material who is sure to make his own separate stand in the B Town.

Karle Pyaar Karle releases on 10th January 2014 all over.
