---

Sonam Kapoor has been a busy bee for the past one month, but she took out time to celebrate the New Year in Goa along with her sister Rhea and a couple of close friends.

We hear Sonam and the gang checked into a five-star hotel to party for the New Year. Accompanying her was her sister Rhea, her boyfriend Karan Boolani, good friend and fashion designer Pernia Qureshi and her boyfriend.

The girls had a swell time making a splash in the pool and Sonam Kapoor was seen enjoying the Goa sun in a blue bikini. She posed happily for the photographs that were shared later with fans and followers on Twitter.

“Goa holiday! Love in the air!” Sonam Kapoor tweeted and shared a photo of her friend Pernia locking lips with her boyfriend
