Global superstar and cinema thespian Mr Amitabh Bachchan's tremendous universal appeal and fanatic popularity has seen no bounds as the years pass. Millions of people the world over regard him as one of the greatest icons any film industry has ever produced and proving this yet again is Mr Bachchan's firm presence in the top ten list of World's Most Admired People.

Top media house in Britain recently conducted a poll amongst its huge base of readers who voted Big B as one of 'The top 10 admired People of the world'.

This survey of 'world's most admired people' was conducted by YouGov ,in a survey sample of almost 14,000 people in the US, Great Britain, France, Germany, Russia, India, China, Australia, Pakistan, Brazil, Egypt, Nigeria and Indonesia.

The mega star has been awarded many titles and is regarded as one of the greatest and influential personalities in the Bollywood Industry. And now to add to the list, the actor has now bagged himself to be in the top 10 'most admired personalities'

Well, with such great international news, it's yet again celebration time for all his fans!!
