After the roaring success of her first 2 singles - In My City featuring Will.I.Am and Exotic feat Pitbull, Priyanka Chopra will soon launch her 3rd international single this April. Titled "I Can't Make you Love Me", this is unique cover of Bonnie Raitt's 1991 hit single that was voted into Rolling Stone Magazine's 500 Greatest Songs of All Time.

The video for the new single will feature American actor and heartthrob Milo Ventimiglia. Capturing hearts and audiences across the globe as Peter Petrelli in TV's hit series Heroes, Milo has established himself as household name, capturing hearts on a global level with his roles in both TV and film internationally.
