Director Mohit Suri, who recently wowed everyone with 'Ek Villain', has worked with cousin Emraan Hashmi in films such as 'Zeher', 'Kalyug' and 'Awarapan' and it now seems that the hit duo is gearing up to team up again .

Mohit recently confirmed the news and revealed that he is planning his next film 'Hamari Adhuri Kahani' with Emraan. Suri said, "Yes, Hamari Adhuri Kahani is most likely to star Emraan. It has been a while since we worked together. It's always great working with him. We started out together as assistant directors. He achieved stardom before me and he is someone I look up to. The film will be a thriller with its share of good music like our films have always had. "
