It is only natural that actor-director Saahil Prem wants Shah Rukh Khan to see the trailer of his directorial debut 'Mad About Dance' before it is unveiled to the world. The Khan has been personally involved with the film for a long time now. Not only has he been speaking to Raju Chadda of Wave Cinemas and Bhushan Kumar of T Series to ensure a good backing for the film, the superstar will also be taking time out from his busy schedule to promote Mad About Dance during its release.

Saahil of course is feeling absolutely indebted to get this kind of support from none other than Shah Rukh Khan and naturally wants to show his first official trailer to the Khan so that he can get his inputs and feedback before it hits the theatres.

MAD is a unique dance extravaganza of global standards and the young heartthrob Saahil has both directed it and is also playing the lead in it.
