Acclaimed actor Omkar Das Manikpuri who's been appreciated by the audience for his mind-blowing performance as Natha in Peepli Live is now back in the news for Munna Munge Memsaab. This movie also stars Razzak Khan, Mushtaq Khan, Jordiya Anna, Himani Shivipuri in pivotal roles. Munna Munge Memsaab is a story about Munna, a not-so-sharp villager with an average looking face. However, Munna is blessed with a loving mother who always praises Munna's good looks and intelligence. Munna's mom has brought him up with a false hope that he'd marry a Memsaab one day. And with this dream, Munna arrives in Mumbai. But will Munna fulfil his dreams of marrying a Memsaab? Will he succeed in winning a Memsaab's love? Talking about his character, Omkar Das Manikpuri makes it clear that there's no similarity between Munna and Natha and people shouldn't compare these two characters. By Lipika Varma
