While most of the actors swear by their stylists for events, Tiger Shroff goes his own way.

The actor, who just made his big debut with Sajid Nadiadwala's Heropanti picks his clothes for himself.

He has a style of his own and does not follow anyone.

Being a hardcore fitness freak, the actor prefers to be in his track pants and casual tees on a normal day.

However for events, we see the young actor slip into his pair of jeans with either a formal shirt or a cool tshirt depending on the nature of the event.

He feels the most comfortable in clothes that he picks for himself.
