Madhuri Dixit □ INTERVIEWS □ Gulaab Gang

Madhuri Dixit having two back to back releases especially women oriented subjects is happy about her achievements... with Gulaab Gang to release soon she answers a volley of questions- with Lipika Varma

Being the part of women oriented subjects –

“Of’coz women oriented subjects need to be made. Women do play an important role in the society. However, the point of view on par with representing women on screen as definitely changed. They are no more presented as a decorative piece in the film. Earlier films always saw women as victim or an avenger. However now she is presented in a positive light and plays strong characters. She is a personality in the movie not just standing by the women. They are no more getting abused. This change needs to be welcomed as women have substantial roles to play.”Gulab Gang is a women power packed film. We are a group of women who fight for justice and this gang is called “Pink Gang.” Men need to be taught to respect every woman.

Working with Juhi-

It was wonderful to work with Juhi. We enjoyed working amicably. She and I have a “Tusshan” on the screen and mouthing strong dialogues was indeed making both of us feel great. It is indeed a privilege as Juhi is the Villain and both of us gelled vey well.

On the sets-

Earlier director and the producers Anubhav Sinha did feel as to how it would be possible to work with both of us sharing the same camera space? But on the sets we both cared for performing to the best of our abilities. Also working with director Shoumik was a great learning experience. I toh enjoyed doing te character.

On being lady “Dabang”-

Well! I do not know whether I can be called “Dabang” being compared to Salman Khan. But yes, I would like our film GG to get the same box office reception at the Box office that Dabang got. If not same Box Office collections at least 50% of collections will also doshe smiles.

On her fight scenes-

I managed the fight scenes. As the fight scenes are choreographed. And we cannot use the rod always. I really enjoyed doing this ole. I am happy that I chose to do the role. Having not done it I would have missed on a lot.

On Gulaabi Gang-

I only hear a little about them that they are doing good for the woman folks. The title of our film is Gulaab Gang and we have performed on par with the script and the vision of the director.

I can never turn a politician. That is the last thing I can ever do. I can never be a good politician. I am happy with my profession. However, at the moment a lot is happening in Politics. I don't think I can ever be a Politician.
