Sex bomb Veena Malik is a new Bollywood lady “Serial Kisser”. She is going to beat the Bollywood most wanted Serial Kisser Emraan Hashmi. Veena is ready to set Guinness book of world record through maximum kiss in her upcoming movie “The City That Never Sleeps” which is produced by Satish Reddy and Directed Haroon Rashid. Her liplock scene will spark a fire and gamey within us.

Veena said, “I think kisses are very important and ridiculously beautiful expressions. It is such a beautiful expression of how kisses of all kinds can cure the world with love and joy. It’s great to be a part of Guinness Book of World Record. I just want to warn all the heroes to be careful here come the B town Super Serial Kisser.”

Looks like Veena Malik would be the next serial kisser in Bollywood. The actress tops the list pushing Priyanka second and Kareena Kapoor to the third position, for the most number of on-screen liplocks. As an actress, it becomes part of their profession to act in intimate scenes and kissing their heroes on screen.
