How time flies and how luck changes the fortunes of many. Think of Poonam Jhawar and an array of seductive images may flash before your eyes. This is a warning bell for porn star Sunny Leone who has gain popularity so far. The hot and sexy actress will bring storm in Bollywood industry while flashing her best body ever in bikini with shapely long legs and washboard abs in her upcoming movie “The City That Never Sleeps” which will mark in Guinness Book of World Record which produced by Satish Reddy and Directed by Haroon Rashid.

The Wild and spark full act of Poonam Jhawar is sureshot eyecatcher and burn the fire within us. No one can stop them without comment on her enigmatic beauty and uber-styled looks.

Poonam said, “Bollywood hotties be ready here come the hottest beauty of Bollywood. The city that never sleeps movie is a platform where you will see the real Poonam Jhawar and it’s grateful to work with such a great Hollywood star Jeremy Williams. It surely has created a lot of buzz not only in the film industry, but also among the masses.”
