Delhi has been known to lend Tinseltown some of its most glowing talent. And now, on the threshold of starting shoot for his debut film stands another Delhi talent, Navdeep Chhabra. Says Navdeep, "I am very excited about my first film.

It is a very relevant story which will challenge me to explore many shades of my personality.

It is an entertainer and a hard hitting reality.

It's too early to talk about the storyline beyond this but in times to come there will be lots to reveal. " the film whose producers, star cast and storyline are being kept tightly under wraps is being helmed by director, Devang Dholakia who is currently wrapping up shoot for his film Tina and Lolo.

Says Devang, 'Navdeep is a rare find. He is talented and brings a whole different charm on camera.
