We have seen foreign invasions in Bollywood every now and then, but this one takes the cake.

In a first of sorts an Italian Opera Singer Gioconda has begun making her mark in the Hindi Film Industry. After travelling the world taking her crooning prowess across the globe,

Gioconda arrived in Mumbai a few months ago and bagged herself a number “Touch Opera” in the critically acclaimed Bollywood film Prague marking her Bollywood entry and it was only time that the pretty singer became a name synonymous with many shows happening across India.
