With the Twilight series final film hitting theaters Thursday night, PVR Pictures gets yet another incredible film to India. PVR Pictures has released the teaser trailer of the action-adventure fantasy film - The Mortal Instruments: City Of Bones.

Directed by Harald Zwart; the adventure fantasy film stars Lena Headey, Lily Collins, Kevin Zegers, Jonathan Rhys Meyers, Jemima West, Jamie Campbell Bower and Robert Sheehan.

The movie is an adaption based on the first book of The Mortal Instruments series by Cassandra Clare. The first book of the best-selling urban fantasy novel was launched in 2007. The teaser for the film adaptation shows many of the major characters from the book and the dangerous world they live in. Here's a sneak peek!
