Again to make his role perfect, Bollywood's Mr. Perfectionist Aamir Khan has learnt swimming for his character of Inspector Surjan Singh Shekhawat for his upcoming movie, Talaash. Aamir didn't know swimming at all, but the actor learned it to make the scene more real. Aamir learned the underwater swimming which was quite difficult than regular swimming.

This underwater scene was shot extensively in London where the scene required Aamir to perform underwater swimming.

Aamir was trained by his trainer David and by Mickey Mehta. The director of Talaash, Reema Katgi and even the entire crew was very impressed with Aamir's underwater swimming shot.
