As expected Salman Khan Starrer and much awaited film Dabangg has started getting huge response at box office even before the release of the film. An advance bookings started today across the country and it got outstanding response at most of the places. Initially, in places like Delhi, UP and Bihar; the film has got highest advance booking.

The Film is expected to screen around 3600 screens which is itself a huge number to get the highest opening at box office. At overseas film will be released across 450 screens.

The film is releasing on December 21, but Dabangg 2 has already given the indication of being blockbuster before the release itself. There are long que's outside single and multiplex theaters all over in India. The booking windows are seen with huge crowd.

So it seems like the Chulbul Paandey is all set to not just to break all the records but to make the new one too.
