Though the film released in 3rd week after the Mega release of Dabangg 2, still Table No. 21 still suffering hard to make good business at box office. Despite of getting good critics reviews and good mouth publicity, Table No. 21 is not able to collect decent numbers at Box office; neither in India nor at oversease box office.

The film has failed to score big collection on Sunday due to Indo - Pak cricket match and managed only 2.30 which was only 15% more than Saturday. Over the weekend film could only collect Rs. 5.85 cr nett. And the film saw a big drop on Monday as well.
