MKBKM finished bad week one with film dropping day after day drastically. Film collected 1.50 cr nett on Thursday taking film's week one total to 30 cr nett plus.

Film was made on budget of 40 cr and thus a share of 18 cr is poor as film will finish with 35 cr nett lifetime number. Film failed mainly due to a poor screenplay and misfit casting of urban lead pair in rural settings.

Film will be out of cinemas next week with the release of "Race 2" and even 2nd week will be almost negligible considering disastrous 1st week.

Below are the collections for the film -
