"Race 2" recorded 8th best opening day ever by collecting 15.10 cr nett. Film collected huge numbers in Delhi and Mumbai though east and central parts remained comparatively lower.

Film started Saturday on higher note due to national holiday and film grew all over as the day progressed. Film was very strong again in NCR, Delhi and other metros. Film even improved in central part of country.

Film should collect 19 cr nett plus and going by the trends film might touch 20 cr nett if late night shows perform on expected lines. Film should collect 19.75 cr nett on Saturday as per early estimates taking film's two day total to 34.85 cr nett. Film has also taken a superb start overseas and 25 cr lifetime collections look possible.

Film should touch 50 cr nett over the weekend as Sunday should add another 15 cr nett minimum. Though film's real test will start from Monday and weekdays will decide film's final outcome. 1st week of 70 cr nett plus will put it in good shape for 100 cr nett mark as film will not face any stiff competition in 2nd week.
