Actor Sunny Deol had won two National Awards for his powerful performance in 'Ghayal' and 'Damini', whereas Kangana Ranaut has also bagged a National Award for her performance in Madhur Bhandarkar's 'Fashion'.

Now, the two actors, who have never yet shared screen space till date, will be paired opposite each other in 'I Love New Year', a light-hearted rom-com helmed by director duo Radhika Rao and Vinay Sapru. Now, with two National Award winning actors paired opposite each other, it sure would be fun to see who dazzles who when it comes to performance.

'I Love New Year' is the story of two strangers, who meet up on a New Year's Eve due to an unusual sequence of events and end up falling in love. Film releases on 26th April 2013.
