"Race 2" has done well at the end of 2nd week but film has to wait for one more day to cross 100 cr nett figure as per early estimates. Film collected 99.90 cr nett in 14 days as per early estimate.

Film collected 1.90 cr nett on Wednesday and today film should collect 1.65 cr nett on Thursday. Film might touch 100 cr nett in if film collects few more lakhs today in late night shows.

Film was out of favor after not so great trending on weekdays in week one but dismal performances of new releases in week two gave "Race 2" golden opportunity and "Race 2" capitalised on it.

Film will finish with 102-103 cr nett lifetime collections and worldwide film will end up with 133-135 cr nett collections. This is a very good result for the film.

Below are the collections for the film ☐ -
