"David" flopped miserably at box office with final weekend collections came to only 2.40 cr nett. As expected, film dropped heavily on Monday and now film is expected to collect 4.5-5 cr nett 1st week collections and that will be the lifetime figure.

"Vishwaroopam" collected rather improved figures on Sunday and that took film's collections to 7.65 cr nett. Film collected 3.25 cr nett on Sunday and Monday was good too. As per early estimates, film should add 1-1.10 cr nett on Monday taking film's total to 8.65 cr nett.

"Vishwaroopam" collected a bit higher than "Robot", the biggest south grosser in Hindi (3.25 cr nett).

Film will finish with 11.50 cr nett after week one and that means film will finish 13 cr nett lifetime collections in Hindi. Next week these films will be sidelined due to two releases "Special Chabbis" and "ABCD".

Below are the collections for the film -
