Box Office Collections Of "Murder 3" was below average over weekdays and film is struggling on weekdays. Film is affected badly by absence of Emraan Hashmi and not such a great release time when two films "ABCD" and "Special Chabbis" were going great on weekdays too.

Film collected 2 cr nett approx on Monday which was a huge drop from Friday and today film dropped further 20% and film should collect 1.60 cr nett as per early estimates. Film has collected 17 cr nett approximate in 5 days.

Filmshould finish week one with 18 cr nett plus numbers which is a huge disappointment expectation wise but not such a high budget will make it an average one for makers. Below are the collections for the film - Domestic Collections
