Dhoom3 Box Office Worldwide Report 480cr "Dhoom 3" came with huge expectations and went on to become one of the game changers at box office. Film has broken almost every record in book and with such a wide release and hiked ticket price, film got further push.

Film has collected 188 cr nett plus in week one and that was highest ever. After that free 2nd week run gave film an opportunity to soar new heights. Film collected humongous 68 cr nett plus in 2nd week which was highest ever 2nd week number. Film has broken every possible records in all the circuits by some margin.

Film started well on 3rd Friday and managed to collect close to 3.15 cr nett. This was good figure considering 4-5 new releases and it seems that film will comfortably dominate in 3rd week too. Film should collect close to 3.60 cr nett on 3rd Saturday taking total figure to 264 cr nett plus.

If new releases like ""Dedh Ishqiya"" and ""Yaariyan"" falter in next week then 295-300 cr nett will be new landmark at box office. Overseas records have been rewritten too and film is now touching 150 cr with possibility of lifetime collection 155-160 cr.
