First look Fugly Here's the first look of Fugly, the Akshay Kumar production that marks the acting debut of the Olympic medal winning boxer Vijender Singh.

The movie is a youth flick described as “a social thriller with a message.” It features Vijender Singh alongside Sonam Kapoor's cousin Mohit Marwah (second from left on top), Kiara Advani (first from left on top) and Arfi Lamba.

The quartet is seen posing with slates inside the police station. They've got funny monikers.

Kiara is 'Daayan with bells' while Vijender is J.A.T., acronym for Just Adorable Type. If Arfi is Hairaan Haggi, Mohit is Banjara.

Jimmy Sheirgill plays a pivotal role in the movie. 'Fugly' is directed by Kabir Sadanand and also features a special song starring producer Akshay Kumar and Salman Khan.
