The rib tickling trailer of the upcoming comedy 'Humshakals' has been released.

Promising nine Times the fun, the trailer's opening shot shows Saif Ali Khan and Riteish Deshmukh in a mental asylum tied up in strait-jackets trying to prove their sanity to Ram Kapoor. Adding to the confusion is the fact that all three of the male leads – Saif Ali Khan, Riteish Deshmukh & Ram Kapoor all have triple roles in the movie. Taking this even further, all three characters played by Saif & Riteish are called Ashok & Kumar respectively . Starring the masters of comedy, with leading ladies - Bipasha Basu , Tamannah Bhatia and Esha Gupta providing great eye candy - this trailer has it all, and some more!

The scenes of Saif and Riteish dancing in the asylum with other inmates and 'butter'ing Ram Kapoor are simply hilarious. It surely is one big confusion, which gets even more confusing and whackier with every passing second.

'Humshakals' stars Saif Ali Khan, Ram Kapoor and Riteish Deshmukh in triple roles - a never-before for Indian cinema, along with Tamannaah Bhatia, Bipasha Basu and Esha Gupta as the leading ladies. Directed by Sajid Khan, produced by Vashu Bhagnani's Pooja Entertainment, and presented by Fox Star Studios, Humshakals is slated to release on 20th June, 2014.
