"2 States" was fantastic over week one and film collected big numbers despite limited urban appeal and not so great performance in north. Film fought with three new releases in 2nd week and 3rd week including big Hollywood biggie but still film came out with flying colors.

Film collected close to 38.06 cr nett over weekend and weekdays were crucial for the film. Film remained rock steady and never went lower than 5 cr nett which is remarkable. Film collected huge 60.77 cr nett in week one, 3rd best week one after "Jai Ho" and "Gunday".

Film was not much affected by new releases in 2nd week and film managed good 26 cr nett plus in 2nd week, which was highest 2nd week in 2014. Film started superb 3rd week and super solid 3rd Friday has given film a fair chance to cross 100 cr nett.

Film collected 1.67 cr nett on 3rd Friday followed by 2.70 cr nett on 3rd Saturday with a jump of 35%. Film added further 3.40 cr nett on Sunday which was again jump of 25%. Film has collected 94.08 cr nett in 17 days and film will have total of 97 cr nett by end of 3rd week. Film should cross 100 cr nett in 4th weekend.
