It was obvious that when a King of Bollywood Shah Rukh Khan would attend any Reality show, he would definitely make it bigger and special to everyone present at the show. And he did exactly the same. Shah Rukh promoted Jab tak Hai Jaan on the set of 'India's Got Talent,' the reality show of Colors along with co-actresses Anushka Sharma and Katrina Kaif.

Not just contestant but even the Judges spent a very joyful time with SRK and the other two ladies. Shah Rukh has danced with contestants and also with one of the Judge Kirran Kher. Shah Rukh especially liked the Belly dancer on the show, he liked her dance so much that SRK gently kissed her Belly. Katrina Kaif also joined some of the contestant on stage and did few steps with them.

It was the grand finale of India's Got Talent that these stars of JTHJ have attended. The episode will be aired this Saturday.
