November, a crowd of over 14500 headed over to the World Trade Center, Mumbai for loads of kiddy fun and family entertainment, funky products and innovative services at this year's McCain KidsCentral 2012.

McCain KidsCentral 2012 is the largest kids exhibition till date. McCain KidsCentral brought together kids, moms, dads, grand-parents, aunts and uncles from all across Mumbai and gave them an arena of superior entertainment, hands on fun activities and extravagant range of products, leaving them thrilled and excited.

The activities included music sessions by Music Together, ceramics by Make and Bake, snow play by Snow Wonder, board games by Traveler Kids, art and craft by Pidilite, photoframes and key chains making by Clay Foundation, The highlight was the workshop held by the Shaimak Davar Institute of Performing Arts.

The stalls include clothes, bags, hair accessories bed and bath linen, books, toy and book library, musical instruments, jewellery, personalized stationary and gifts, iPad and iPhone covers, furniture, organic foods, deserts, frozen yogurts and cupcakes by Tart.

Eminent personalities like Shaina NC and many more were also seen with their children enjoying themselves, meeting the stall owners and picking up clothes, cupcakes and participating in the workshops.

All in all a very successful and one of a kind exhibition for kids!
