lives with happiness by bringing them not only small joys but also helping them realize their big dreams”.

On her association with the Group, Sonakshi shared, “Rajhans (Desai-Jain) Group is a very aspirational brand. I think not everyone gets this opportunity so early in their career to represent such a big group. I have been very fortunate. The Group has many ambitious ventures in the future and is poised to grow further. This is a good prospect for both of us since we both are growing as of now in our respective careers. I look forward to a long association with this Group”
