---

He went a single and came back a 'married' man. Actor-producer John Abraham was spotted at Mumbai airport without his 'wife' Priya Abraham.

At the very start of the year, John Abraham has unleashed a shocker upon everyone by hinting that he's tied the knot with his girlfriend Priya Runchal while holidaying with her in Los Angeles.

"Wishing you and your loved ones a blessed 2014! May this year bring you love, good fortune and joy. Love, John and Priya Abraham."

It's this tweet by John in which he referred to his girlfriend as Priya Abraham that began the storm.

Upon his return from the US in the wee hours of the morning, John Abraham faced not just the paparazzi lenses, but also the questions if he's married. Going by his reaction, it seems he's surprised to learn of his 'marriage' from the media.
