The Junior Football Championship League (JFC) has forever changed the children's sports scene in Mumbai

If more than 400 kids in the city and their parents now wake up early every Saturday morning, it is not to have leisurely breakfast and lie in front of the TV. It's not even for cricket. It is to play competitive soccer on one of the most beautiful grounds in the city, the Western Railways Association Ground. So if you head to Lower Parel on any given Saturday morning either from South Bombay or the suburbs, chances are you will pass more than a few cars carrying kids with Junior Football League logos on their T Shirts.

The JFC has a league for 4 different age groups which go from 5 years to 12 years. The championship runs from November to March on every Saturday morning. The atmosphere is electric. Besides great music the barbecue is amazing where you can get Hot Dogs, Burgers and Eggs and bacon.

has parents who develop their children's talents from a young age. There is a growing trend of parents who are involved in their children's sports, and this is a good thing. It helps them to develop their skills and learn from their mistakes. It also helps them to build a strong relationship with their parents and to learn the importance of teamwork and discipline.
