Kangana Ranaut had been appreciated for her role in 'Once Upon A Time In Mumbai', which had featured a remix of the hit song 'Duniya mein logon ko' by Asha Bhosle. In her last film Queen too, Kangana, who walked away with all accolades, was seen grooving to a remixed song 'Maine hothon se lagayi toh', which had been originally sung by Asha Bhosle.

Now, in Revolver Rani, the legendary singer will be lending her voice to a song named 'Kaafi nahi chand' and considering the fact that Kangana has always struck gold whenever her film featured a song by Asha Bhosle, the film team is confident that Revolver Rani will be a hit too.
