Funky Monkeys Play Centers – are world-class indoor play centers exclusively designed for children aged 6 months to 10 years, offering hands-on discovery and learning through spontaneous and unstructured 'Free Play', while incorporating elements of fun and entertainment. 'Free Play' also helps develop imagination, enhance creativity and build confidence.

Recognized as the leader and pioneer in this segment, Funky Monkeys offers world-class, state of the art equipment that meets the highest international safety standards and certifications, allowing kids to burn some energy in a safe and clean climate- controlled environment.

Open 7 days a week, Funky Monkeys has two play zones which include a variety of soft play equipment that is unique, colourful, stimulating and entertaining. A fully equipped café area and birthday party area overlooks the play zones, making it the perfect place to host birthday parties, play dates & school group mornings. Funky Monkeys also offers free WiFi, valet parking, kid friendly bathrooms, a first aid kit on site and adheres to all fire safety regulations.
