cast and crew screening of Bobby Jasoos which took place yesterday, 1st July ' 14 at Juhu PVR.

The entire cast of the film was present and it was a kind of a reunion of sorts.

The film has an eclectic cast with powerful actors.

The cast got a chance to bond before the film went on floors at a 10 day workshop.

They then left for Hyderabad and were shooting on real locations which was very challenging. The journey got easier as they understood and helped each other.

It was a long shooting schedule where they all bonded. However, once they were back in the city they all got absorbed in new projects and could not keep in touch much.

So they were all euphoric to meet everyone at the special screening of the film yesterday. They were reminiscing the experience they had during the shooting schedule.

All of them are really excited about the release of the film this week.
