Rina Dhaka chose to go with the contemporary look for her show on DAY 2 of the Shree Raj Mahal Jewellers India Couture Week, with exquisite baju bandhs, kalgi, toda and jadau pieces from Shree Raj Mahal Jewellers Svara and Sondaraya collections.

She used jewellery in meenakari and polki to highlight traditional designs from her collections and diamonds from the Sondaraya collections to add panache to the contemporary designs. The diamonds from the Sondaraya collections are cut in oval and pear shape. With the magnificent pearl toda and distinctive coloured stone sets.

Paired with Rina Dhaka's gorgeous couture, the jewellery was truly a sight to behold. Rina Dhaka's ultra modish designs added sheer elegance to the collection as the pearl earrings & bracelets stood out beautifully on the models.

The jewellery was created by designer extraordinaire, Praveen Goel, CEO, Shree Raj Mahal Jewellers and was a perfect amalgamation of traditional Indian craftsmanship and western design.
