Two days before the release the Kick team launched the a special action making video of the film.

Since the launch of the trailer the action which featured in it created a lot of excitement.

From walking in front of the train, fighting the bad guys to the 40 floors high jump the film has promised a lot of edge of the seat action.

Along with Salman Khan, Sajid Nadiadwala and Jacqueline Fernández the making of the stunning action was launched yesterday at Mehboob Studio.

The video garnered a lot of appreciation from the media Sajid Nadiadwala directed Kick is set to release on 25th July 2014.
